

**SANDBURG'S SPIRIT SQUAD** would like your help with filling holiday stockings for the Salvation Army. Your donations of items that are small enough to fit in a stocking for either boys or girls are greatly appreciated. Our Spirit Squad will assemble all of the stockings that will be donated to the Salvation Army for their holiday drive. Donations are to be sent in with your student no later than Thursday, **November 21<sup>st</sup>**. Our goal is to deliver the filled stockings to the Salvation Army as early as possible this year. Below is a list of ideas for the stockings, but we will accept any new & unused items. Collection boxes are outside of the ISS room.

Thank you in advance for your generosity.
