Clever

Student home login guide

Help your child use learning technology at home

Hi families,

This year, our school district is using Clever as an easy way for your child to access all the learning applications they use at school. They can access all the resources they use at school in one location, using a single username and password.
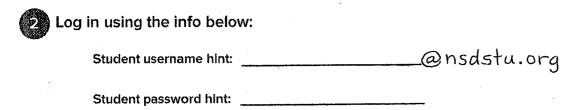

I'd love for you to help us increase education engagement at home by helping your child access their online learning applications.

Example of a Clever Portal

How can I help my child log in?

1 **Go to our district portal:** https://clever.com/in/neshaminy (Log in with Google)

2 **Log in using the info below:**

Student username hint: _____@nsdstu.org

Student password hint: _____
