# Internal Memorandum

To: All School Principals  
From: Donald B. Irwin, Jr.  
Date: September 29, 2020  
Subject: Student Accident Insurance

---

Alive Risk is offering a student accident group insurance plan for students. The coverage is excellent, with the cost at \$27 for school-time or \$98 for 24-hour full year protection. This is the same cost as last year. The company is AXIS Insurance Company, and its agent is Alive Risk of Langhorne, 215-946-8888.

The insurance brochures are available on our Website at the following locations:

- Elementary Schools & Poquessing Middle – under **Parents** at top
- Carl Sandburg Middle & Maple Point Middle – under **Parents** at top
- Neshaminy High School – under **Parents** at top

A PDF of the brochure is attached.

Many parents do not appreciate the importance of such insurance until accidents occur and medical bills are presented for payment. The district ***DOES NOT*** carry medical insurance on students.
