Session #2 - 7:45 – 8:20

All homeroom teachers (K-4), Learning Support teachers,

Session #3 - 8:25 – 9:00

Please Note:

- The two “Homeroom Teacher” sessions will provide parents of multiple children with an opportunity to visit more than one teacher presentation.
- Car pooling is strongly recommended. Having only one back to school night is a change from the past practice of having two back to school nights. Therefore, parking close to the school will be more difficult.
- A reminder to all parents and guardians **NOT TO BRING YOUR CHILDREN** to the “Back to School Night” program. It would not be appropriate for the students to be in the classroom during the classroom visitation portion of the program. Additionally, there are **NO** provisions for supervision in any area of the school during the entire evening and no child should be left without adult supervision at any time. Thank you for your anticipated and fullest cooperation in this regard.

We are looking forward to seeing all of you and to have the opportunity to provide you with valuable information about your child’s education.
