

Manufacturing and Construction

Mr. Warlow C119

Two Rules

#1 SAFETY!!!!

#2 When in doubt, refer to rule number one!!

Six Expectations

#1 Be to class on time. (That is in the room prior to the bell ringing for start of class.....if you show up late you had better have a note from a teacher or administrator)

#2 Be prepared for class EVERY DAY!! (Bring a 3 ring binder, pen and a pencil as well as a willingness to learn)

#3 Participate in class (whether it is written work, a work sheet, or a project that you need to complete, make sure you are busy)

#4 Abide by all rules in the student handbook. (It is available on line and you are responsible for its contents)

#5 If you get it out - put it away; if you make a mess – clean it up; if you break it – tell me!

#6 No Excuses – RESULTS!!!!
