Intramural Activities Parent/Guardian Permission Form

This purpose of this form is for parents or guardians to give consent for their child to participate in the Intramural Program at Poquessing Middle School.

The Intramural Program offers opportunities for both boys and girls in grades five through eight to begin to develop skills in various sports, clubs and other activities. A faculty member supervises these programs and we encourage all students to get involved in these fine programs.

Intramurals are for students to get involved with activities after school from 2:55PM to 4:00PM. However, this time may change occasionally, due to the activity. Students attending activities that end at 4:00PM must either walk home, be picked-up by a parent/guardian or take the 4:15PM late bus. There may be an occasional delay in the bus departure due to traffic or bad weather. Parents can pick their child up at 4:00PM, but if you do not arrive at the school by the time the buses depart, your child **must** ride the bus home. **No child will be allowed to wait unsupervised for a parent to arrive. If any student leaves the school grounds for any reason they will be denied bus transportation for that day.**

Please encourage your child not to bring anything of value, such as jewelry or large sums of money, to school when they are staying for Intramurals. Personal combination locks should be used to secure clothing and personal items, but they must be removed at the end of the each day.

If you have any further questions, please contact the Intramural Coach/Advisor listed below.
