- Discussed the lengthy process to get field trips approved and reminded attendees that the PTO does not plan field trips but helps financially support the field trips. The field trip cost includes the venue, bus transportation, and a nurse.
- A parent inquired about the reason for not having monthly PTO meetings this year. PTO President Megan Tondi explained that attendance at the monthly meetings was very low, and there was often not enough new content to discuss.
- A parent inquired whether a parent who is also a Registered Nurse could volunteer to serve as the designated nurse on field trips. Dr. G explained that for insurance liability purposes, the nurse must be employed by the district.
- *REMINDER*: Do not wait until the last minute for YEARBOOK ADS. The process of creating the ad can be a bit complicated due to the yearbook company's program.
- Please only submit 4th-grade group pictures for the Move-Up Ceremony slideshow
