STUDENT ACCIDENT GROUP INSURANCE

THE SCHOOL DISTRICT DOES NOT CARRY MEDICAL INSURANCE FOR STUDENTS

This is a reminder to parents with a child or children attending school in our School District that we do not carry medical insurance on students but do provide parents with the opportunity to select a primary excess group insurance plan for students. Student accident insurance can help you eliminate the possibility of out-of-pocket expenses, since many group insurance policies no longer pay full hospital and medical expenses and may require a deductible or co-insurance. There are three plans with the following options available for your consideration:

Option #1 School Time Coverage – This will cover injury occurring while the student is traveling to and from school, while attending school sponsored activities such as plays, assemblies, class trips, interscholastic sports other than Sr. high football, intramural sports, gym and physical education classes, etc.

- **Plan A costs \$30 per student**
- **Plan AA costs \$39 per student**
- **Plan AAA costs \$49 per student**

Option #2 24 Hour Coverage – This will cover all the above, plus accidents occurring away from school, in the evenings and on weekends, vacations, etc.

- **Plan A costs \$106 per student**
- **Plan AA costs \$141 per student**
- **Plan AAA costs \$178 per student**

Dental Accident Insurance Option - can be added to either plan listed above.

- **Plan A costs \$9 per student**
- **Plan AA costs \$10 per student**
- **Plan AAA costs \$11 per student**

Please note that the plans should be considered in conjunction with any other family medical insurance you may have.

Please see the Voluntary Student Accident Medical Plans for a complete description of the plans and the various coverage options. If you have any questions, please call an Insurance Broker at Alive Risk directly at (267) 314-2681 between 8:00 a.m. and 4:30 p.m.
