Did you know each day, 47 children are diagnosed with cancer in the United States, which means more than 17,000 children in the U.S. are diagnosed each year? This is why we MiniTHON and why we're celebrating pediatric cancer awareness month here at Neshaminy. Today we're wearing our favorite college gear to support MiniTHON and Four Diamonds. You can also show your support by attending the girl's tennis match TODAY at 3:30 as they support MiniTHON. Some MiniTHON gear will be available for purchase at the match, we will have buckets to collect loose change and we will have links to our donor drive if you want to make a more significant donation. All proceeds raised through MiniTHON this week, and all year, will be donated to Four Diamonds, a foundation that supports cancer research and assists pediatric cancer patients at Penn State Children's Hospital. Spirit week will continue through this Friday, 9/15. We hope to see you dressed as your favorite character tomorrow! Tomorrow our Go Gold games continue, as well. Please support the Golf Team at their match at 3:15 at Middletown Country Club and the Girls Varsity Soccer Team at 5:30 as they play Central Bucks South!
