

DAILY ANNOUNCEMENTS – November 16

DAY 4

Unclaimed **i.d. cards** are now available at Ms. Belke's desk in the main lobby.

Winter Track & Field starts this week, with an optional practice today (2:30-4pm) and the official start tomorrow from 2:30-5pm. Athletes must be signed up on Family ID and have turned in a PIAA physical... or you must have it with you to attend practice.

Those that missed the ticket sales to our schoolwide **Flyers game**, we still have 12 tickets left for the game Tuesday Nov 28th vs the Hurricanes. \$55 pays for ticket and transportation. See Mr. Davis in F-223 for permission forms. Cash or check only. Checks made payable to NHS.

Want to relive your younger years? Earn brownie points by taking your younger sibling to the movies? Maybe express your artistic talents? You can do all three at the Movie/Paint night presented by Interact and Buddies Connect. Join us this Friday at 6:30 for a screening of **Toy Story**. Your \$5 admission fee gets you the movie, popcorn and a bottle of water; additional snacks will be available for purchase. If art is your thing, \$10 gets you a guided art lesson and you will leave with a finished piece of fall art. This event is open to anyone in the Neshaminy Community and tickets are available at the door. Contact Ms. Drake at sdrake@neshaminy.org or Mrs. Spong at sspong@neshaminy.org with any questions.

The next **Book Club** meeting will be held on Thursday, November 30 in G219! The book we have selected is *I Have Lost My Way* by Gayle Forman, a story about three strangers whose lives intersect over the course of a day. It's a story about losing and finding love and discovering oneself, fitting with this month's theme of gratitude. Join us for snacks, books, and fun!

Future Medical Professionals Club will meet today, November 16th after school in room F219. Members should arrive on time in order to ensure they are present for the yearbook photo. The guest speaker this meeting is a geneticist who will speak on her experience in the field. Any students interested in the medical field after high school are welcome to attend. Please see the canvas page or contact Ms. Mandel for more details.

Scholar's Bowl will meet today, November 16th after school in F207. All are welcome to attend. Please see Mr. Stoner if you have any questions.
