

In accordance with [Board Policy 716](#), annually the Neshaminy School District notifies employees and families that the NSD engages with an outside contractor to provide Pest Management Services throughout the District in accordance with the Pest Management Plan for Pennsylvania Schools. The purpose of this plan is to summarize response actions, findings and recommend response actions. If you have any questions regarding the District's pest management program, please call the Operations Department at 215-809-6250.
