

August 2024

Dear Parents and Guardians,

My name is Lynnmarie Richmond, and I will be your child's second-grade teacher. I have many fun and engaging things planned for the students this year and I am anxious and excited to begin the year!

I am looking forward to working together to help your child have a successful year in second grade! I feel it is important to learn as much as I can about each child in order for me to make a significant contribution to his or her education. I have created a google form to help me gather some background information that will assist me in getting to know your child. Please click [here](#) to complete the form at your earliest convenience but no later than August 30th.

You can help your child have a positive start by helping him/her get prepared for the first day of school. A list of supplies for second grade can be found on the Pearl Buck website. It is also listed on our class website (link is below). If you are having trouble locating the supply list, please let me know! If you would like, you are welcome to bring the school supplies with you to the Open House on August 27th from 1:30-2:30 or you can send them with your child on the first day of school (August 29th).

Be sure your child gets a full night's rest and a good breakfast on school days. We will take time each afternoon for a snack. Children are not permitted to share food so please be sure to send your child to school with a snack each day if you would like him/her to have one.

Further information can be found on our class website <http://www.neshaminy.org/Domain/1116>

If you should have any questions or concerns, please feel free to contact me by e-mail lrichmond@neshaminy.org or phone (215) 809-6300.

I am looking forward to a fun and successful year together!

Sincerely,

Mrs. Lynnmarie Richmond
